

21 Day Healing, Encoding of Light Formulas and Attunements “For ALL Animals”

Beginning **7-11-11 through 7-31-11** Mary will offer a “21 Day Remote Healing, Encoding of Light Formulas, Attunements and Gifts of Grace” for **ALL ANIMALS**.

This 21 Day Journey is similar to the Human journey, though the owner/Human will serve proxy for their pet (animal). No matter what type of animal you have, house or keep, if you choose to commit to serve proxy for your animal, they will journey this 21 days to heal, process a balance and help to align and prepare for the encoding of crystalline energy (just like humans).

As time evolves and we get closer to the gateway on 11.11.11 and beyond, it is our personal journey and universal journeys to collaborate and conjoin as love and light. In the preparation for the “merge” into the Eternal state of this Awakening (we have all been waiting for), All Humans, Animals and All Living will create this “BALANCED” As Above, So Below, Center Point energy. It is a Soul Energy that helps create the 5th Dimensional Plane of existence.

Each Private Session will be done **remotely... daily for 21 days**. The 21 Day Code is a formula to re-align, calibrate and encode the **Animals** cellular makeup. This 21 day Encoding is a detoxification, cleansing of impurities, and creates an energetic restructuring on a cellular level to withstand 4th dimensional realms of existence and heightened energy from Source.

Each Day, Reverend Mary will go into a prayerful meditation to those proxies requesting remote healings and encoding for their Animals. She will assist one to raise their vibration and activate the Codes of Light. In this Illumination process, healings, activations, attunement and blessings will occur. All that is required is an Open Mind, Trust, Faith, and 21 days of commitment. Mary is holding the “space” for the Animal to heal itself; and will open as a continual vessel for Love and Light to be sent directly to the requests asked of.

To receive your 21 day Light Frequency Encoding for Healing, activations, attunements and Gifts of Grace for Animals, please send your request to mary@guidedhands.net **for the Full 21 Day Encoding Instructions**.

Animal Communication Information:

Animal Communication is a two way conversation using telepathic energy with a Horse, Dolphin, and Dog, Cat or other animal. Mary provides her “listening” skills to hear the animal speak using mind to mind contact. Many animals have “human” like tendencies; IF there is a behavior that your pet/animal is displaying that is out of the “norm” per say, it could be due to a lack of understanding, or communication. Mary helps you to recognize the behavior that the pet/animal is displaying.

As a Horse Healer, she trains horse owners to telepathically connect to the higher being of them, then to vibrationally tune into their horse; it is here, where the “calmness” allows the communication from the horse to the owner. You will begin to understand what the horses needs are, what challenges need to be cared for, and how the owner can create more stability between the two, etc. Mary has also been downloaded the frequencies of the 13 Star Codes for the Animal Kingdom; providing the highest available information to understand the karma of your pet or animal, and how to better communicate and direct the information into your daily life. Mary also provides hands on healings to any pet or animal.
