Mary is a profound channel of pure Divine Christ Light Energy and will be offering a guided meditation and messages from the Universal Star Systems. She will open up a portal to the Highest Christ Self and offer assistance for one to be self guided into the 13<sup>th</sup> Dimension; it is here, where she will help raise your vibration, and activate your Interdimensional Cosmic Self. Mary was downloaded and the carrier of (*what she calls*) the “13 Star Codes”, that are Infinite Love and Eternal Light. The 13 Star Codes are “new” stars born into our Universe and are “aligned” and “formulated” through Sacred Geometry specifically for Humans, Animals and all living. When received these Star Codes, the NEW Strands of “encoded Christ Light Energy” is drawn into your embodiment, producing you to automatically be healed, attuned, balanced, crystallized, and calibrated to the Christ Self and guides you in the attainment of Enlightenment. During Meditation, Mary will also assist the “opening” of greater dimension of the “pineal gland” (3<sup>rd</sup> Eye). It is the Intuition of the 3<sup>rd</sup> Eye that is an Infinite Intelligence and can assist you in your awakening process, versus the Mind of Mental (ego or control) which is constricted and only allows a minimal percentage of knowledge and opportunity. Since the Beginning of time, it is Now, that we have the ability to be “altered and illuminated” into the HIGHEST Consciousness known as Oneness, while still living a Human experience of existence.
